

NEWTON'S
ROAD

Find STEM for Ages 2-13 at newtonsroad.org

Driving STEM learning. Sparking AHA! moments. Creating pathways to success.

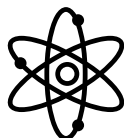

STEM Kits

Go to our STEM Finder or STEM Map to find STEM Kits near you

Check out a STEM Kit for free from your local library

Find a Community Organization near you to use STEM Kits on site for their programs

Swap out an unused STEM Kit for a different one at our STEAM Station

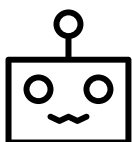

STEM Finder

Go to our STEM Finder and find hands-on experiences that incorporate STEM learning

Use the filters to sort by Activities, Grade, Cost, Learning Environment or Location

Check out the information on local camps, clubs, STEM Kits and STEM At Home

Visit the various STEM-related organizations in person or utilize their online resources

Event Calendar

Go to our Event Calendar

View local events by month

Click on an event to learn more

Subscribe to our calendar by clicking the calendar icon in the top right

STEM At Home

Go to our STEM Finder and under Activities filter STEM At Home

Explore the various STEM resources that offer classes, activities, videos, and worksheets

Print out worksheets to experience fun STEM-learning with common household materials

Follow Newton's Road on Facebook for fun STEM experiments to do at home

STEM Map

Go to our STEM Map

Filter by STEAM/Maker Alliance Members and print out a STEAM passport

Filter by Public Libraries with STEM Kits or Schools with STEM Kits

Filter by Community Organizations with STEM Kits (housed on site for their programs)
