

News from the Road – November 2022

Multiply Your Impact!

\$20K Match Challenge

Skilled Manufacturing Inc. has committed to match every donation up to a total of \$20,000!

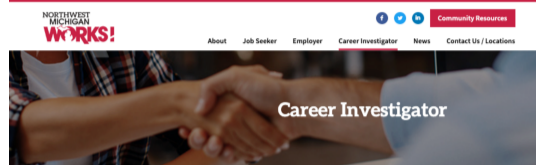

We are very Grateful to Skilled Manufacturing Inc.

November 29 is Giving Tuesday—a global day of giving to support our favorite nonprofits. Newton's Road wants to raise \$2,500 that will provide 30 STEM Kits for youth organizations in Northwest Michigan—but we'll only reach that goal through the generosity of people like you. Will you help?

[Donate Today →](#)

Help us spread the word by telling your friends, family, and coworkers why you're passionate about STEM education for youth. Then, invite them to join you in making a difference!

NW MiWorks! Uses Career Investigator with Youth and Adults!

Partnership with MiWorks

Newton's Road is thrilled to announce that Northwest Michigan Works! will be using our Career Investigator for Northwest Michigan platform to support their youth and adult career exploring services, effective immediately. Together we will connect teens and adults to employers across the 10-county area Northwest Michigan Works supports and increase the breadth of high-in-demand careers for regional teens and adults to explore. www.nwmi careers.org

Thank You Sara Lee Employees

Sara Lee collaborated with United Way of Northwest Michigan to help assemble 168 STEM kits during their employees' shifts. These STEM kits will be used in NMCAA Head Start classrooms in the 10 county region.

New STEAM Stations available in 3 locations!

Our STEAM Stations are available to the public now! Visit them at the Mancelona Family Resource Center, Salvation Army Traverse City, and the Great Lakes Children's Museum. Thank you to the Oleson Foundation for funding this initiative!

[Find these STEAM Stations on our STEM Map →](#)

Thank you to Impact100 Traverse City!

The women of **Impact100 TC** awarded Newton's Road a very generous grant to expand our impact throughout this region. As a result, our outreach has grown from serving 200 to over 2000 youth monthly! Our partners layer STEM-related learning and career exploration into their programs and services.

Partner with us to create more Aha! moments for youth!
