

News from the Road – October 2022

One Year Anniversary for STEM Kits in Regional Libraries!

Newton's Road and TADL join with the other 20 libraries across our region in celebrating 1 year of all 21 libraries having STEM Kits to check out for free like a book. Visit your local library to see how they are celebrating, including STEM Kit days, game boards, and more!

October STEM At Home Activity

STEAMtastic Events

Boo Art Fest at the Great Lakes Children's Museum

Celebrate Halloween at the Great Lakes Children's Museum's 2nd annual Boo Art Fest! Come expecting to get messy! Each of the three sessions available will have the following activities: paint pee wee pumpkins, spooky slap painting with rubber gloves, window squirt painting, mini Mac mummy wrap, spider spin art, and trick or treat bag decorating. **October 22, 3 Sessions**

9:30-11:30 AM 12-2 PM 2:30-4:30 PM

Discovering Careers in Marine Technology

Discovery Center & Pier and Northwestern Michigan College (NMC) are excited to bring you the Discovering Careers in Marine Technology program. Using remotely operated vehicles (ROVs) piloted by NMC's Marine Technology faculty and students, HS youth will explore shipwrecks on the bottom of Grand Traverse Bay and be introduced to how these technologies are used in real world careers such as fisheries, research, engineering, and emergency services. **October 22, 9-11:30 AM**

October 22, 5-11.50
